# Need assistance? Contact us

## Prior to your travel

If you need to contact us before you travel or want to make changes, **call 0344 493 0787** and select **Option 1** (charged at local rate), from 07:30 to 20:00 daily.

## While you're away

In the unlikely event that your holiday doesn't run to plan, we're here to help get things back on track. You can call our 24 hour UK helpline on **0208 707 4460**.

# Excess Information

## Collision Damage Waiver (CDW)

Collision Damage Waiver ensures you are covered if your vehicle is damaged and repairs are required. With this product, your vehicle's excess is **€1000.00**.

## Theft Protection (TP)

Theft Protection ensures you are covered if your vehicle is stolen. With this product, your vehicle's excess is **€1000.00**.

You may purchase additional insurance locally to reduce or remove the excess amount.

For more details on Excesses please read the essential information below.

# Essential Information

## Security deposit:

A credit card in the name of the driver and any additional drivers is mandatory for all Budget car hire, it is swiped or imprinted and authorisation is obtained to the value of EUR 110 plus any extras you request and pay for at the time of pick-up (the renter's available to spend is reduced by the authorised value). If you have booked a flight and car package, the rental charge will not be visible. Please contact us if you require an estimate prior to arrival. Amex, Diners, Visa and Mastercard are accepted. Debit cards, cash, Travelex cash passports and cheques are NOT accepted. **Please contact us at time of booking to check requirements for larger car groups or premium cars, two credit cards in the name of the driver may be required.**

If upgrading at time of pick-up to a Prestige car, a Passport is required in addition to a valid driving licence (which remains compulsory). Budget' Prestige cars are a luxury range of sports, executive and 4x4 vehicles that are not available to pre-book on ba.com but may be requested and paid for on arrival.

## Fuel:

The car is provided with a full tank of fuel. The car must be returned full to avoid paying a refuelling charge, please keep receipts of refuelling for verification purposes. A fuel service option may be offered at the counter, please check at time of car collection.

## Your car rental voucher:

Please take a moment to look at what inclusions are shown on the voucher. All mandatory charges have been included.

## Rental Agreement:

**Please check carefully the Rental Agreement prior to signing when collecting a car and ask an Budget Agent to explain anything you do not understand. Any additional items you have signed for will not be refunded post rental. Rental Agreements in other languages may be available, please ask before signing for any unfamiliar items on an agreement.**

Before you leave the rental station, ensure any damage to the vehicle is shown on your rental agreement, should there be any damage that is not shown, advise a Budget Agent and ensure it is added to your documentation.

## Additional charges:

Child seats, GPS, additional drivers, excess reduction, ski racks, winter tyres/equipment and additional insurances. If you're planning to take your car into another country restrictions may apply, please enquire prior to rental.

## Optional extras:

The following are examples of optional, non-mandatory charges which you may want to take out to increase your protection:- PAI (Personal Accident Insurance), PEP (Personal Effects Protection), ESP (Emergency Sickness Protection), Extended Roadside Assistance/Roadside Assistance Plus.

## Extended Roadside Assistance/Roadside Assistance Plus

Please note that whilst "Roadside Assistance" is included in your rate, this covers standard breakdowns only. Cover for non-mechanical issues are not included, e.g. lost keys, lockouts, tyre assistance, jump starts and emergency fuel delivery. Extended Roadside Assistance/Roadside Assistance Plus should be paid for at the depot.

**These additional charges and optional extras are payable to Budget at the depot up on car collection, and are subject to local taxes and surcharges. You'll enter into a separate contract with Budget for these optional items – this contract will have its own T&Cs. Please ask Budget to explain any charges, taxes and surcharges before accepting them.**

**Collision Damage Waiver (CDW) and (TP) Theft Protection:**

**Please note that CDW may not be included for all car types, please check Inclusions before bookings.**

CDW and TP are always subject to an excess which will be pre-authorised, but not debited, from the driver's credit card up on collection of the vehicle. In the event of any damage to the vehicle, the full value of the excess is charged to the credit card. Where the repair costs are less than the excess, the difference will be refunded. Excess amounts vary by rental location, please contact us for details.

**Excess:**

The car voucher shows what is included and not included in the rate. If CDW (or LDW in some countries) does not appear in the Inclusions section, it is NOT included. If you are unsure please contact us. Where prices do not include CDW the renter must either purchase CDW locally or provide proof of own coverage. The excess always applies and may be up to the full value of the car. A security fee may also apply and must be paid for locally. You may purchase additional insurance locally to reduce or remove the excess amount.

**CDW Exclusions**

CDW Exclusions do apply. Typically items such as tyres, glass, mirrors, roof and/or undercarriage are excluded from cover where damage is the result of a breach of rental terms. Please check your Rental Agreement for more information when collecting your vehicle.

**Minimum Rental Age and Young Driver Surcharge :**

Minimum rental age is 21. Young driver surcharge applies to drivers between 21-25 years and is included in the rental price. Please ensure you have provided your date of birth in your initial search.

**Unpaved Roads**

Budget Cars are not to be driven on unpaved roads (like gravel, dirt, etc).

**Arriving into Nice Airport:**

The Main counter and Avis Preferred Desk are located at the Car Rental Centre in front of Terminal 2. On arrival at either Terminal 1 or 2, follow the signs to the Car Rental Centre via the free bus shuttle or free tramway in direction of Terminal 2.

Avis Preferred Customers will have their car ready directly on the parking lot (R+2/level 2) in the Car Rental Centre in Terminal 2.

Avis and Budget also offer a facility for customers to collect their rental cars from Terminal 1, charge of approximately 29.00 euros applies, (subject to change without notice), payable direct at the depot when collecting the car. Advance notification is not required even if the pre-paid voucher shows collection from Terminal 1, simply visit the Terminal 2 depot and staff will be able to assist.

The Avis/Budget desk at Terminal 1 is open during peak periods from 0900-2100.

For arrivals before or after these opening hours, please use terminal 2 which is open from 0630 to 0000.

**Driver's licence:**

A full driving licence will need to be held for a minimum of one year. For car groups F, M, O all drivers must present a full and current driving licence which has been held for at least 5 years. If your license was issued outside the European Community you must provide an international driving license. An International Driving Licence serves only as a translation of a driver's existing license, and by itself is not acceptable for vehicle rental. UK licence holders will need to take their Photocard Licence but do not need to take its paper counterpart. Licence holders with only a Paper Licence need to take it. Budget do not require the DVLA's 'Share Driving Licence' on line code or a downloaded summary of the driving licence record. They will require the customer to consent to their licence records being accessed as needed. Licence endorsements may exclude a driver from renting a vehicle, please check prior to booking. Valid photo ID is also required (passport or identity card).

**Booking Flights and Car Rental at Airport Locations.**

If you have a separate flight booking, you must contact us prior to travel to provide Budget with your flight details. In the unlikely event that your flight is delayed, please contact us and advise your amended flight arrival time. We encourage any customers arriving close to midnight to make their way to the depot as quickly as possible.

**Budget Car Hire**

Please note that Avis Preferred does not apply to Budget car rental bookings. British Airways Executive Club/Iberia Plus members do not receive free additional driver when booking Budget car hire.

**Brexit Information:**

Please check that you hold all the necessary documents to drive as planned after 31 January 2020. For example, holders of UK Driving Licences planning to drive in the EU or EEA may require extra documentation such as an International Driving Permit (these can be purchased from many Post Offices in the UK for a small fee). Visit the UK government website for more information. If you are renting a car in the UK and planning to take it to the EU or EEA, you will need to carry a Green Card. This can be organised by contacting your car rental provider to purchase Continental Cover at least five days before collection.
